

An Bille um Múrphictiúir Ealaíne Poiblí (Forbairt Dhíolmhaithe), 2022
Public Art Mural (Exempted Development) Bill 2022

Letter of Support

Dear

I am writing to you to inform you of my support of the Public Art Mural (Exempted Development) Bill 2022 which was introduced in Dáil Éireann on the 4th of February 2023. The Bill addresses the important issue of the creation of public art in Ireland. I believe the simplified process that it proposes will be of great value to our national arts & culture, our citizens and our localised and nationwide communities.

As a member of your constituency I am requesting that you support this Bill both now and when it returns to Dáil Éireann for Second Stage.

Yours Sincerely
